Dear Prospective Grace Family:

Thank you for your interest in Grace Brethren School. We are a coeducational, College Preparatory Jr./Sr. High School that focuses on placing Christ at the center of all we do. Our mission is specifically designed to work with students, in partnership with parents, in a *discipleship* environment – one that seeks to mature each individual's relationship with Jesus Christ.

Our graduates have gone on to some of the more influential four year institutions across the nation, and have been well prepared for the rigors of higher education. This is true because we hire qualified, professional instructors, and implement a curriculum that is cutting edge.

Most importantly, Grace provides a loving and intimate family environment, where students make long-life friendships, and receive specialized, individual instruction. We would consider it a blessing to be a part of the educational plan for your family.

If at any time you have questions throughout this decision making process, please do not hesitate to ask either myself or one of my very qualified staff. I also want to extend a personal invitation to you to come down to campus, take a tour, and meet me.

God Bless You,

John Hynes
Principal
